PERSONAL PROJECTS

Professional Web Design Portfolio (12/2021 - Present)

- Beginning of a professional career path, made entirely from scratch with no prior coding experience
- Coded with handmade HTML and CSS
- My portfolio with many of my accomplishments listed on it
- <https://average-android.github.io/PortfolioAlpha/>

Password Generator (01/2022 - 01/2022)

- Fully functional random string generator with custom inputs for character type
- Made using HTML, some CSS, and a lot of Javascript
- <https://average-android.github.io/PasswordGen.V1/>

TravelApp (02/2022 - 02/2022)

- Group project made by several contributors
- Travel-based web app that displays detailed travel info for wherever you'd like to go
- <https://github.com/average-android/GroupProjectRepo>
